

**Plymouth & Exeter District
of the Methodist Church
in partnership with the
Diocese of Cuttack,
Church of North India**

+ Please pray for those within the Diocese who are facing significant illnesses, including Ananda, a child of 12 who has cancer.

+ Pray for the special events happening throughout the Diocese, particularly during this Jubilee year.

+ Please remember the Diocesan Board of Social Service, working in the slum areas of Cuttack and facing different challenges every day.

+ Pray for the Mission and Evangelism team, working in challenging areas among people of other faiths.

**Plymouth & Exeter
Methodist District**

The partnership between the Plymouth & Exeter District of the Methodist Church & the Diocese of Cuttack in the Church of North India.

The partnership will be based on learning, mutual support and prayer, and it is proposed that it runs until August 2022 with a review and possibility of extending in the Spring of 2021.

The prayer requests from this District to our friends in Cuttack are for:

- + those most affected by the UK's departure from the European Union, especially the poorest and marginalised.
- + the Methodist Church in Britain, that we may remain united as difficult decisions are made.
- + an ability to stay true to God in all things, particularly as the national, cultural and social landscape changes around us - as well as courage to speak for those who are denied a voice in all that is happening.
